The Apple Hill™ wineries. Spend a day with us. Take your time. Breathe in the aromas of fine wines aging in casks, pies baking at roadside stands, and Christmas tree farms pruning and shaping for the holidays.

Apple Hill™ has always been a prime place for the bounty of agriculture. Its soil and climate are known to produce premium fruits, especially quality winegrapes. No wonder Apple Hill™ is home to pioneers and innovators of winemaking in the Sierra Foothills.

You'll find family-run wineries working at their own pace, making small lots of wines from an intriguing diversity of grapes. A day spent among Apple Hill™ wineries is a day to discover.
